Re: United States v. Edgar Veytia, Dkt. No. 17 CR 115 (CBA)

Dear Judge Amon:

I am writing on behalf of defendant Edgar Veytia and with the consent of the government to respectfully request a six week adjournment of the defendant's April 25, 2019 sentencing. The reason for this request is that there has been a delay with regard to our receipt of certain materials from Mexico concerning the defendant's position as the former attorney general of the state of Nayarit. We believe that these materials will feature prominently at the defendant's sentencing as they bear on the nature and circumstances of the offense, as well as his personal history and characteristics. See 18 U.S.C. § 3553(a)(1). While counsel will work diligently to incorporate these materials into our sentencing submission upon their arrival, they first must be translated into English, a time consuming task.

Thank you for your consideration on this application; I remain available for a conference should the Court deem it necessary.

Respectfully submitted,

Jeffrey Lichtman
